### Accessories

#### • Mouse Mats

Providing a promotional opportunity and an excellent corporate gift, the mouse-mat remains an essential item in the office.

We use only the highest quality of base materials on to which your design or logo is printed in full colour via a silk-screen process. You can make your product stand out from its competitors by specifying your own shape of mat, which we will die cut to those specifications.

#### • CD/DVD Storage Tins

We are also able to supply and print on CD and DVD storage tins. Again the highest quality printing techniques are used to ensure your branding is precise.

#### • Flash/USB Media

One of the reasons that Direct Corporate Design has been so successful is due to the fact that we have been able to take advantage of the ever improving methods of storing data. From the early days of floppy disks through to the present day with storage onto USB memory sticks.

Each one of these applications has presented us with a new challenge but we have been able to offer a solution to our customers which has resulted in our being able to print corporate designs and and logos on to all types of media.

So it's not surprising that here at Direct Corporate Design we offer a printing service on to USBs. You may wish to supply your own media for printing or take advantage of our competitive rates on our current products which are available in an ever increasing range of capacities.

• Lapjacks

Lapjacks are a cool and safe way to bring some life into your laptop. They are made from a high quality removable adhesive vinyl which you

apply to the laptop lid.

The main features of your Lapjacks are:

\* Easy to apply

- \* Easy to remove
- \* Smooth finish with no air bubbles
- \* Durable and hard wearing
- \* Reusable leaving no residue
- \* Wipe clean with damp cloth

This great idea lends itself to that special sales promotion! [Click here for more details.](#)

#### • Monitor Mirror

The monitor mirror allows you to take a 'rear view' look at the world! Equipped with a convex mirror, the wide angle of view means you can keep tabs on your staff or simply see who's creeping up behind you!

Available in black, white, red or blue housing, with matching or contrasting spacers, the mirror can be printed on the surface and/or the housing. Personalised with your logo and design, the monitor mirror occupies a prominent position on the desk, giving your customers a continual reminder of your products or services.

#### • Untangler

Twisted phone cords annoy even the most easy-going of people! The untangler works its magic every time the handset is lifted, simply by rotating to stop the telephone cable tangling. The untangler fits into the phone handset and has gold plated filaments to prevent noise distortion.

The untangler can be supplied in up to with colours with your logo on either side.

### • Decal Badges

These self-adhesive, domed metal badges can be fixed to monitors, telephones, or practically any other type of office hardware. They are digitally printed with your logo or artwork and provide an ideal way of creating brand awareness.
